

# Updated Product Image Transformation Prompts for GPT-Image-1

## Background & Environment Transformations

### 1. PURE CATALOG READY

#### Professional e-commerce presentation

The uploaded product stays perfectly intact as the hero element. Place on seamless white background with soft studio lighting from above and sides. Add gentle shadow beneath for depth. Even illumination eliminates harsh contrasts. Pure white backdrop, no distractions. Product fills 70% of frame. Clean, professional product photography style.

### 2. KITCHEN LIFESTYLE STORY

#### Warm culinary scene

The uploaded product remains unchanged as the central focus. Place on marble kitchen counter with morning sunlight through window. Include fresh herbs and coffee cup as subtle props. Blurred kitchen background with shallow depth of field. Warm, inviting atmosphere with natural light creating soft shadows.

### 3. NATURE'S EMBRACE

#### Organic outdoor setting

The uploaded product stays perfectly preserved. Position on weathered wood with golden hour sunlight. Blurred forest background with bokeh effect. Include leaves or smooth stones as natural accents. Warm outdoor lighting with authentic atmosphere. Product sharp, background soft.

## **4. MIDNIGHT LUXE**

### **Premium black backdrop**

The uploaded product remains intact. Place on glossy black surface with dramatic spotlight from above creating rim lighting. Pure black background with elegant reflection below. Sophisticated studio lighting emphasizes quality. Moody, luxurious presentation.

## **5. COASTAL PARADISE**

### **Bright beach atmosphere**

The uploaded product unchanged at center. Sandy beach setting with bright midday sun. Palm fronds and seashells as props. Blurred ocean waves in background. High-key lighting with warm color temperature. Summer vacation energy with clear product visibility.

## **6. HERITAGE CHARM**

### **Vintage nostalgic styling**

The uploaded product perfectly preserved. Distressed wood surface with warm window light. Old books and dried flowers as vintage props. Subtle vignetting for aged effect. Rustic blurred background. Nostalgic atmosphere while maintaining product clarity.

## **7. METROPOLITAN PULSE**

### **Urban energy backdrop**

The uploaded product sharp in foreground. Motion-blurred city street behind with bokeh lights. Concrete surface placement. Evening lighting mixing street lights and neon. Dynamic urban lifestyle feeling with crystal-clear product focus.

## **Composition & Styling**

## **8. CURATED COLLECTION**

### **Minimalist flat lay**

The uploaded product as hero element. Top-down view with 3-4 complementary items arranged with breathing space. Clean marble or linen surface. Soft even lighting, no harsh shadows. Balanced composition following rule of thirds.

## **9. GRAVITY DEFYING**

### **Floating product effect**

The uploaded product unchanged, appearing to levitate 12 inches above surface. Soft shadow showing height below. Light gradient background. Even studio lighting from multiple angles. Subtle motion blur at edges suggesting gentle movement.

## **10. STORY GRID**

### **Multiple angle showcase**

The uploaded product preserved in each frame. Create 2x2 grid showing: product solo on white, in-use scenario, with accessories, and detail shot. Consistent lighting across frames with thin borders. Each cell tells product story.

## **Artistic Transformations**

### **11. MONOCHROME MASTERPIECE**

#### **High contrast black and white**

The uploaded product with all details preserved, converted to dramatic black and white. Strong directional lighting creating deep shadows and bright highlights. Rich tonal range emphasizing texture. All text remains legible through careful contrast.

### **12. INSTANT MEMORIES**

#### **Classic polaroid style**

The uploaded product unchanged within instant photo frame. Square format with characteristic white border, thicker at bottom. Slightly faded colors with soft edges. Gentle light leaks in corners. Nostalgic snapshot feeling.

### **13. ELECTRIC NIGHTS**

#### **Neon glow aesthetic**

The uploaded product intact with vibrant neon lighting. Pink, blue, and purple lights creating colorful reflections on product surface. Dark background

enhancing neon contrast. Subtle lens flares from light sources. Cyberpunk energy.

## **Photo Filter Effects**

### **14. CINEMA SHADOWS**

#### **Film noir atmosphere**

The uploaded product visible with dramatic black and white treatment. Strong side lighting creating bold shadows. Film grain texture with slight vignetting. Mystery atmosphere while maintaining text legibility.

### **15. SUNSET MAGIC**

#### **Golden hour warmth**

The uploaded product bathed in warm sunset light. Orange and amber tones with long shadows. Soft lens flare and atmospheric haze. Dreamy golden hour quality maintaining product colors.

### **16. NORDIC FRESH**

#### **Scandinavian aesthetic**

The uploaded product with bright, cool processing. Slightly overexposed with blue undertones. Soft diffused lighting like overcast Nordic day. Minimal shadows, crisp and clean feeling.

### **17. ANALOG SOUL**

#### **Film photography look**

The uploaded product with vintage 35mm aesthetic. Characteristic film colors and organic grain. Natural halation around highlights. Authentic analog feeling preserving product accuracy.

## **18. MORNING MIST**

### **Ethereal fog atmosphere**

The uploaded product emerging from soft morning fog. Multiple fog layers with product in sharp focus. Delicate light rays through haze. Moisture droplets on surface. Mystical, fresh atmosphere.

## **19. AURORA DREAMS**

### **Arctic wonderland scene**

The uploaded product perfectly intact at 45-degree angle. Partially emerging from teal glacial water with ice formations. Aurora borealis in sky with pink, teal, and golden bands. Diagonal snowfall accumulating on edges. Cinematic color grading with warm frontal lighting. Surreal yet maintaining product as absolute focal point.
